SUBJECT.

Re the revival of Nyvedya to Sri Ramadevaru at Chunchankatte, Yedatore Taluk.

From

The Deputy Commissioner, Mysore District.

Letter No. 415, Dated 17th April 1907.

The Sri Ramadevaru temple at Chunchankatte, in the Yedatore Taluk, is a Muzrai Institution endowed with a cash grant of Rs. 436-6-0 per annum. There being no houses at Chunchankatte near the temple, the Utsava vigraha of the Institution has been placed at Yedatore. The temple is a famous one and attracts a large number of pilgrims almost daily. At the time of the car festival, which usually takes place in the month of January every year, a cattle fair is held to which 6 to 7 ----

thousand heads of cattle are, on an average, brought for sale. Fees are collected on the cattle and on shops and they amount to about Rs. 1,500/- annually and -- are credited to the funds of the temple. Besides the above mentioned sources of income, the Institution also owns 18 acres 24 guntas of Kandayam land in -- Kaggli Bore Kaval assessed at Rs. 138-14-9 and 6 acres 9 guntas in Kolur village assessed at Rs, 35/-. The former yields a gutta of 29 Khandies of paddy, and the enjoyer of the latter has been merely paying the assessment. The temple is reported to have at present Rs. 9291 odd as savings at its credit.

As the whole of the cash grant endowed to the temple was required for the necessary establish -ment and Hechukatles of the Institution, Rai Bahadur Mr. A. Sreenivasacharlu, the late Muzrai Secretary, -- while revising the temple Tasdik Patti, in 1897, directed that out of the Hosahead funds of the Institution, Rs. 1000 should be drawn and placed in the -

Govt. Savings Bank and that a sum of Rs. 12/- therefrom should be utilized for the Dadhyodana Nyvedya every month and that the Nyvedya should be distributed to the pilgrims daily. The Nyvedya and distribution continued to be done till April 1906, when owing to the paucity of funds, as the 1000 Rs. above referred to bacame exhausted they ceased.

The Deputy Commissioner, in bringing the above facts to the notice of Govt., recommends - that out of the 29 Khandies of paddy for which the temple lands have been leased out this year, 6 --- Khandies and Rs. 24/- may be sanctioned per annum for the Nyvedya of the Utsavaru Sannidhi at Yedatore and Rs. 12/- per mensem for that of the Moolavaru - Sannidhi at Chunchankatte.

Muzrai Secretary's Remarks:-

Although this temple has a fair cash -- Tasdik besides Kandayam lands and derives a large annual income from the Jatra, it is unfortunate that

~~there~~ owing to the peculiar nature of the orders passed there has been no Nyvedyam for several months past. The sum of Rs. 1000/- placed by Rai Bahadur Mr. A. Sreenivasacharlu in the Savings Bank for this purpose became exhausted as the monthly expenditure was made payable from the principal of the amount deposited. The produce of the lands is being annually sold by the Amildar and immediately credited in the Treasury, and the same is done with the Jatra collections which amount to nearly Rs. 1,500/- per annum. For want of orders the needful amount for Nyvedya is not drawn from the Treasury, and thus the Nyvedyam has stopped.

This unsatisfactory state of things came to my notice when I visited Chunchankatte in April last, and after my speaking to the Local Officers and the Deputy Commissioner, the present reference has been received.

The best plan for arranging for the performance of the Nyvedya in future seems to be to

make the entire produce viz., 29 Khandies, derived -- from the kandayam land, available for the purpose. The produce need not be sold but kept in the hands of -- some trustworthy local landholder like Dasa Setti of Yedatore and make him pay the needful quantity of -- rice every month, besides the needful sum for condiments and fuel &c. Speaking very roughly, the value of 29 Khandies of paddy will be Rs. 174/- at Rs 6 per Khandy which is a very low ~~figure~~ rate. The expenditure may be put down at Rs. ~~156~~ 168/- per annum as below:-

	per month	
For 75 seers of rice (2½ seers daily)	Rs 9-0-0	at 12Rs per palla.
For curds 1 seer daily	" 1-14-0.	
For Ghee, Condiments and fuel	3-2-0	

Total Rs. 14/- per month or Rs 168 per annum.

The assessment due to Govt. on the temple lands cannot be met from the value of the produce as above shown, and therefore, the required amount

GPB—3,000—22-6-06

viz., Rs. 35/- may be drawn by the Amildar from the large saving credited to the Treasury and paid to -- Govt.

In ordering the above, it may be stated that the 2 seers of ~~cooked rice~~ rice prepared into Dadhyodana might be offered as Nyvedya in the Mulavaru Sannidhi at -- Chunchankatte and distributed to Desantries who may be present at the temple, and, on the days when none come, the same may be used by the Archak. ~~The~~ Half a seer of cooked rice ~~(Dadhyodana)~~ in the Utsavaru Sannidhi at Yedatore may after being offered as Nyvedya, be taken by the Archak.

Dadhy

How will this injunction work in practice? It will all go to the Archik?

The above arrangements are recommended for future years. The circumstances of the current year, however, are different. The produce ~~already~~ realized about the months of February and March last, has been already sold and credited to the Treasury, and the Amildar has to be kept in funds for ~~considering~~ conducting the ---- Nyvedya during this year, until another harvest is --

reaped. For about 10 months more, a sum of Rs. 140/- may be required for conducting the Nyvedya. This amount, or even Rs. 150/-, may be placed at the disposal of the Amildar, who may be authorized to draw that amount from the large savings at the credit of the temple in the Treasury, and devote it for the proper conduct of the Nyvedya in both the Sannidhies of the Mulavaru and Utsavaru.

Orders were accordingly issued in Govt. Pro: Nos 625-6, and 1215-6, dated 31st July and 29th August 1907. The Deputy Commissioner now reports that Nivedya of ½ a seer of cooked rice in the Utsavam Sannidhi, and of 2 seers of Dadhyodana in the Moolavarm Sannidhi of the Sri Ramadevarm temple at Chunchinkatte, was revived from the 21st and 26th August last respectively. ~~The Amildar~~

The Amildar reports that calculating at the rate of Rs 12/- for Dadhyodana, and Rs 2-4-0 for the cooked rice every month, the total cost for both the items amounts to Rs 145-4-0 up the end of June 1908, leaving a saving of Rs 4-12-0 out of the sum of Rs 150/- sanctioned for the purpose, and suggests that this balance may be utilised for the purchase of Ghee for the Utsavam Sannidhi, since only ½ a seer of bare cooked

Sir,

In submitting herewith the file of papers ending with yadi No. 25/333 dated the 26th October 1906 received from the Hunsur Divisional Officer, I have the honor to state that the Assistant Commissioner reports that on a representation being made to the late Mujrai Secretary Mr. A. Srinivasa Chari, he was pleased to order in 1898 that a sum of Rs 1000/- may be withdrawn from the Hooa Head and deposited in the Savings Bank in view to a sum of Rs 12/- per mensem being utilized for 2 seers of Daddyodana (Curd) per day to the Sri Ranga Devaru at Melkote in the Yedatore Taluk and that the amount having all been expended till the 31st March 1906 it is felt to meet the cost of the daily Neivedya.

2. 20 acres of wet land in the Kaggli Bore Kaval are reported to have been taken for the benefit of the Institution. The yield from

the

the land is reported to be 29 Kan-dies of paddy per year. After deducting the Kandayam, a sum of Rs 140-1-7 is reported to be de-posited in the Savings Bank.

3. A sum of Rs 9291-13-4 is report-ed to be available at the credit of the Institution

4. Both the Archakar and the Assis-tant Commissioner recom-mend that 6 Kandies of Paddy out of the 29 Kandies referred to above with Rs 24/- per year may be sanctioned for the Neivedya at the Eraavaram Sannidhi and a sum of Rs 12/- per mensem for Neivedya at the Moolavaram San-nidhi.

5. As this temple is one of the im-portant temples in this District and pilgrims are reported to go away without food, it is regest-ed that Government may be pleased to accord their sanction to the recommendation of the Assistant Commissioner.

The Sri Ramadevaru temple at Chunchinkatte in the Yedatore Taluk is a muzrai institution endowed with a cash grant of Rs 436- 6-0 per annum there being no houses at

mehinkatte near the temple,

which usually takes place
in the month of January every
year, a cattle fair is held

average brought for sale. Fees
are collected on the cattle

amount to about Rs 1,500/-

The temple is reported to have at present Rs 9,291/- odd in the Treasury as savings at its credit.

2. As the whole of the cash grant endowed to the temple was required for the necessary establishment and Hechu Kattle charges of the Institution, the late Muzrai Secretary, Rai B. Mr. A. Seemvassappa in

while revising the temple
Tasdik Patta in 1897, directed
that out of the Hosahead funds
of the Instn, Rs 1,000/- should be
drawn and placed in the
Govt Savings Bank, and that
a sum of Rs 12/- therefrom
should be utilised for the
Dadhyodana
~~Dadhyanna~~ Nyvedya every
month and that the Nyvedya
Distributed
should be ~~utilized~~ to the
pilgrims daily. ~~Vaccadhyanedya~~

3 The Deputy Commissioner
reports that the Nyvedya and
distribution continued to be
done under the above arrangement
till ~~the year~~ April 1906, when
they ceased, as the sum of Rs 1,000/-

above referred to became exhausted. He further reports that the temple land in the Kolur village does not yield anything, the enjoyer thereof merely paying the assessment and that the other land in the Kaggli Bore Kaval yields a gutta of 29 Khandries of paddy, every year and this is annually sold by the Amildar and immediately credited in the Treasury. The Deputy Commissioner recommends that out of the above mentioned produce of the temple lands, 6 Khandries of paddy and Rs 24/- in cash may be sanctioned per annum for the M

~~of~~ in the Utsavam Samudhi at Jedatore, and Rs 12/- per mensem for that of the Moolavarm Samudhi at Chunchinkatte.

4. The Govt regret to observe that, although the temple has a fair cash tasdik besides Kandayam lands and derives a large income from the there has been no Nyvedyam in the temple for ~~several~~ several months past. To remedy this unsatisfactory state of things, the Govt direct that in future the entire produce of the ~~temple~~ Hagale Bore Kaval temple land be made available for the performance of Nyvedya in the temple. The produce should

not be sold but kept in the hands of some ~~trustworthy~~ local landholder like ~~Mr.~~ Dasa Setti of Tedatore and ~~make~~ that he should be requested to give ~~him~~ the needful quantity of rice every month, besides the ~~needful~~ requisite sum for condiments, fuel &c. They ~~further~~ also direct that 2 seers of rice prepared into ~~Dadhyodana~~ Dadhyodana be offered as Nyvedya in the Mulavarn Sannidhi at Chunchinkatte and distributed to ~~Desantries~~ (Sadgrums) who may be present at the temple and, on days when none come, the same be used by the Archak and that half a seer of cooked rice be offered as Nyvedya

in the Utsavam Samidhi and
then taken by the Archak of
that Samidhi. 5. As regards the
assessment due to Govt on the
land ref^d to above, the required
amount should not be met
from the value of the produce,
as hitherto but should be drawn
and paid to Govt
by the Amildén from the temple
savings credited in the Treasury.
~~and paid to Govt.~~ Arrangements should be made
by the Amildar at an early date with
the view of getting some income
to the temple from the land in the
Kolur village.

6 As it is understood
that the produce realized during
the current
year has been already sold
and the proceeds credited in
the Treasury, the Govt are further
pleased to authorize the Amildar
to draw Rs 150/- from the savings
at the credit of the temple
in the Treasury and devote the

sum for the proper conduct of the Myvedya in both the Samidhies of the Moolavam and the Utsavam during the remaining months of the current year in the manner directed above.

I am directed to acknowledge receipt of your letter no 2270/79 dated 31st October 1907. It is therein pointed out that, at the monthly rates reported by the Amildar viz Rs 12/- and Rs 2-4-0 for Nyvedyam in the Sri Ramadevaru temple at Chunchunkatte in the Yedatore Taluk, the expenditure for the whole year amounts to Rs 171/- and not Rs 45-4-0, and therefore information is called for regarding the exact rates of monthly expenditure for the purpose.

2. In reply, I am to invite attention to the reading portion of the Govt Order of the 18th Oct. 1907 to which objection has

taken in your letter. From it, it will be observed that the Deputy Commissioner of the Mysore District has reported that Nyvedyam in the Moolavarm and the Utsavam Sannidhies of the temple was revived from the 26th and the 21st August 1907 respectively. It is therefore from these dates that the expenditure on account of Nyvedyam should be calculated. ~~It records the rates of Rs 12-5-0 and Rs 2-4-0~~. At the monthly rates of Rs 12/- and Rs 2-4-0 reported by the Amildar, the expenditure accordingly amounts only to Rs 145-4-0 up to the end of June 1908, as stated in the Govt Order. Thus, it will be seen that the rates of Rs 12/- and Rs 2-4-0 per mensem, reported by the Amildar are correct.

I have &c,

Secretary.
